RE: Updates

Don't miss the opportunity to promote your club in this year's Snow Goer Magazine's Spread the Word About Clubs campaign! For \$49 your club will be listed in two issues of Snow Goer magazine, on SnowGoer.com with a link, with social media and e-newsletters. Thanks to the clubs that have already submitted their information. Information on how to participate is enclosed and can be found at <https://mnsnowmobiler.org/clubs/information>

At the International Snowmobile Congress earlier this month Arctic Cat announced a Snowmobile Club Rebate Program where clubs are able to purchase snowmobiles at a discount for safety training, raffles, etc. The snowmobile club rebate would be approximately 10% less than dealer cost on the snowmobiles. Models included in the program are ZR 200's, ZR 3000, Pantera 3000 and Bearcat 7000. Contact your dealer for more information on the program and pricing.

One of the visions of the Minnesota Parks & Trails Legacy Advisory Committee has been a website for all the parks and trails in Minnesota. The new MN Great Outdoors website went live June 13, 2018, and is a joint initiative of Greater Minnesota Regional Parks and Trails Commission, MN DNR and Metropolitan Council. The website provides a comprehensive database of parks and trails statewide along with snowmobile and ATV trails. Check it out at <https://mn.gov/greatoutdoors>
