

2022-2023 Club News Submission Form

Please use this form as a guideline when submitting your club news for publishing in *Minnesota Snowmobiling*. It is not necessary to use this form (emails gladly accepted) but please make sure to include all pertinent contact information. Club News should be items of interest to the snowmobile community as a whole—sharing ideas about successful events held, trail projects and improvements, ways to promote membership growth, etc.

To accommodate all clubs wishing to submit their news, we ask that you submit a Club News article no more than two times a year, keeping the length of your article to around 250 words or less with a photo, and 500 or less without a photo. We encourage you to send high-resolution photos (300 dpi or greater) of your club's activities, including captions describing the event and/or the people shown. If you have questions, please contact Nancy Hanson. All submissions due by 4 p.m. of deadline date.
